

Hello Broward Homeschoolers,

We are happy to serve you this year with your testing needs. Stanford Achievement Testing is around the corner. Please find the attached testing flyer.

We are taking registrations for our Spring Administration. You will find all the information you need on the attached form.

In preparation for the SAT10 we recommend a short workbook that you can complete a few weeks before testing so that your child can become familiar with test format, timing, bubbling, etc. It will also allow you to find any academic trouble spots that you can review prior to testing.

Steck-Vaughn Test Best - Stanford Tenth Edition (available at ACE)

OR Scoring High Stanford Achievement Test - [sra4kids.com](http://sra4kids.com) (maybe available at ACE)

Select your student's grade level

We look forward to a successful testing season! If you have any questions or concerns feel free to e-mail. Thank you and many blessings in your homeschool endeavors.

Kind Regards,

Val Straussman & Carmen Behar

*Certified Teacher / Tutor*

#### Standardized Testing 2011

Standardized testing is being offered by Florida certified teachers\* to comply with the home education law. We have chosen to administer the *Stanford Achievement Test 10* (SAT) because of its validity and reliability in measuring students' progress. The SAT evaluates student progress in reading, language, math, spelling, social studies, and science. In addition, there is an OPTIONAL Bible section that is NOT included in the student's overall performance score. This test is being administered to 3<sup>rd</sup> grade through 12<sup>th</sup> grade students. If you have Kindergarten, 1<sup>st</sup> or 2<sup>nd</sup> grade students, a personal evaluation is recommended. Furthermore, standardized testing is only recommended for strong 3<sup>rd</sup> graders. There is limited seating available for each grade level.

We want your child to have a positive test experience. We also want to make sure that this type of testing is best suited for your child. If you have any questions concerning testing, please feel free to e-mail [crbehar@gmail.com](mailto:crbehar@gmail.com) with your concerns.

Your child should bring a snack to eat during breaks. They should also bring a book to read between breaks and if they complete their tests early. In addition, please bring two #2 pencils (a sharpener will be provided). Scratch paper and rulers will be provided for each student. If your child is in 4<sup>th</sup> grade and above, they may use a calculator as an option. They do NOT need calculators to solve the problems. Please make sure your child knows how to use the calculator they bring if they choose to have one. There will be NO instructions by proctors on the use of calculators. Further test day instructions will be given at a later time.
